BEVERAGES

We can supply and serve Tea and Coffee.

As the service of tea and coffee is highly dependent on weather conditions and the age group attending, we only charge tea and coffee by the flask so you pay for what you use and not for everyone attending.

Tea and Coffee costs £20 per flask (approximately 15 cups)

China crockery is included.

BAR DRINKS

There are a few options available to you:

Arrival Drinks:

We can have a table set up for your arrival with any drinks of your choice.

Paid Bar:

We can open a tab for you, with a set limit. We will discreetly let you know when this has been reached. We can then turn to a cash bar, with guests then able to pay for their own drinks.

Cash Bar:

Your guests can buy their own drinks from the bar.

ROOM HIRE & EQUIPMENT

There is a room hire charge of £75 (taken as a deposit to secure your day).

We also have some equipment you are welcome to use:

- Artist Easels: You can create any boards or canvases filled with photo memories. These can be displayed on the easels and placed around the room.
- Screen and Projector: We just need you to create a folder of your jpeg photos onto a USB or laptop and we can then play them as a slideshow which we can project onto our large screen at the back of the room.
- Sound system: You can create a playlist on Spotify or amazon, or we can play any genre of music or create a small playlist for you, with a selection of favoured artists music, this can be played throughout as soft background music.
